JANUARY NEWS

Themed Learning

HAPPY NEW YEAR! We hope that everyone had a great Christmas and a Happy New year! We'd like to thank you all for all the thoughtful gifts we received!

The themes for this month are: hibernation, Antarctic animals and winter. Some of the animals that we will discuss are: bears, frogs and the arctic fox. For the winter theme, we will be talking about snow, snowmen, snowflakes and we will do some experiments with water and ice. This month we will also begin doing simple addition and subtraction.

One Hundred Days of School

Thursday, February 8, 2012 marks the 100th day of school! Where has the time gone! We will be doing activities that revolve around the number 100. We are asking each child to bring in 100 of something from home during the week of January 20th, but no later than February 6th. The items can be 100 noddles, pennies, buttons, etc. Just be creative!

Books, Books and more Books!

Starting around January 17th we will be having Scholastic "Firefly" book club sent to us. This is a great way to get great books inexpensively.
